I hear you. I heard about Susan, can't believe JRF! is willing to settle for mediocrity at best. Unbelievable. Our office will slowly lose respect of our contacts, unless of course it is only Laurie and Kevin communicating with them, but that isn't a two-man job, especially since they are on the road all of the time. It is so sad!

Glad to hear about Jordan! How's his music comin'?

Ya'll have plans Friday night? I have to talk to greg regardless but thought I'd throw out a potential date.

Cari

I'm fine. Just doing my job and staying out of trouble:). I am busy with CLW and OEL stuff. Melinda is back from her trip with her mom- so that helps.

Work is the same- no changes. Looks like Teresa Sweet and Mary Jane are pawning Susan Watt off on the JRF team. Kevin and Laurie are not happy about that!

Home is great- everyone is doing really good and Jordan is working at the supreme court building so he is making some cash on a regular basis- that is a good thing!
