She was midyear promoted, so she would need to indicate that when submitting FTE Survey data, I don't recall which one; Kevin should be able to tell us.

Would they report this in the k-12 plan or in the next survey? Just wondering?

Good afternoon,

I have a student that was retained in third grade, but recently finished her portfolio, prior to the Nov. 1 deadline. This is the first time this has happened since I became the reading specialist. We have promoted her (here at FSDB) but I am not sure what to do next.

Thanks for your guidance.
