Thanks for sharing this, Cari! This is really cool. I know that when I taught in Missouri you could either do half-day or full-day kindergarten...and the kindergarten I attended way back in the day was only half-day. It was pretty common.

Cari,

Thanks for sharing. This is good. It's hard for me to believe that other states only offer a part time kindergarten.

Have a great day and thanks again for all that you do!

Sincerely,

Kevin Smith,
