Thanks for sharing Katie. I'm missing some of the folks I've built good relationships with, but I'm enjoying my new work (new learning) here. And don't have to travel til November 29th, woo hoo! Something needed for my fam. It's been good.

Sincerely,
Cari

Hello JRF!,

I hope all is well! Sure do miss you guys and gals. I've attached the document with my comments. Overall, last question is most telling for practitioners, the rest is more technical and I think, will have to be explained for practitioners. There's one inaccurate statement which I noted in a comment.

Enjoy the rest of your week!

Sincerely,
Cari

Thanks for sharing. Revisions were made based on the feedback that we provided. The language is clearer.

Given the new insights, here is a re-drafted report with the new areas highlighted. The last statement in the summary is, of course, supported by research but I wanted to stay away from causal language. Please let me know if any edits you'd like to see included.
