☺ Old age, I guess... I turn 41 in a few weeks. If my memory is still working, you have a birthday coming up as well.

Good Afternoon –

I hope this email finds you doing well. One point of follow up to our FASD Leadership Conference – if you've already sent your presentations for posting on the FASD website, thank you very much. If you haven't had a chance yet, we'd greatly appreciate you finding that trusty jump drive and sending your presentation to me at your earliest convenience and I'll take care of forwarding it for posting. The FASD membership appreciates your generosity in sharing your information.

Take care and best wishes for an enjoyable Thanksgiving holiday.

Dear FASDLC Presenters –

On behalf of our conference coordinators Joyce and Chuck, and the entire FASDLC Planning Committee and FASD Board, I'd like to thank you very much for your contributions to our FASD Leadership Conference last month in St. Petersburg. Your presentations contributed greatly to the success of the conference and our participants appreciated the variety of applicable topics and access to presenters who were "in the know". From the general sessions, to the action labs and concurrent sessions, favorable comments were shared by many.

Please know how appreciative we are that you were able to carve out time from your busy schedules to share your time and expertise with our constituents. Following this email, you will individually receive the evaluation summaries for your session(s). We thought you would appreciate receiving the feedback from your attendees. If you are the lead presenter, please be sure to share the results with the members of your presentation teams.

Please let me know if you have any questions and be sure to contact FASD if we may be of assistance to you. Again, many thanks and best wishes!

Sincerely,

Mary Ann Ahearn
