Things are the same- I tried to forward a message about staff meeting to you the other day- and couldn't find the message from Judy- it said something like.... Staff meeting has been cancelled. "Stu will meet with JRF team individually and Melinda will meet with the OEL team individually." So you can guess- no individual meeting took place and was Melinda suppose to meet with the data team too? Go figure!!

Anyway- things are the same- I am working a lot on CLW- Kevin has not been announced and no new hires!

More details tomorrow☺

BTW – I'll be coming to Bo's tomorrow, but I'll be a little late (around 6:15pm). I've got to take Cam to Gymnastics, but Greg will meet me there to take her home!
