Subject: RE: Charter Schools

Cari,

Thanks for your message. I would recommend speaking with Jean Miller or Mike Kooi. I do believe that districts may deny charters, but I also believe that there is an appeal process through the State Board. I would guess that districts could deny charters based on financial or curricular concerns, but this is only my guess.

Have a great day and thanks again for all that you do!

Sincerely,

Who in Choice could help me with district's role in approving charter schools? Do they have authority to deny charters, and for what purpose?

Sincerely,
