The cost reduces each year for the kits themselves because replacement kits are figured in each year. What is your fax?

I've got the figure for this year's cost already; just wanted to see if it was an annual cost. You answered my question! Thanks! Btw-I don't believe he sent me the contract, rather he sent me very clear information about what ya'll do for FLKRS. ☺

Yes, an annual cost. Gary said he thought he gave you a copy of the Pearson contract. What is your fax number? I'll send you the figures.

Do you all plan to purchase kits EVERY year for FLKRS? I guess I'm asking if there is an annual cost to administer FLKRS (not including the PMRN costs)?

Sincerely,
