Cari,

Thanks for your message. Will do. I also didn't completely understand and thought that you either might understand or know who he is.

I'll take care of this.

Happy Holidays and thanks again for all you do!

Sincerely,

Please send him to someone at the DOE that can help. Not sure what he's talking about regarding a reading grant, AND grant writing?

Hello Cari: I am trying to find out about when to apply for the Reading Grant. I found the website but it did not provide information or links where to apply and when? Also I have another question, I am new to writing grants and often reading all these different tools and taking classes on how to become a better grant writer. Is there any place to view grants that have been previously approved so I can see what a good solid quality grant looks like.

Thanks
