Yes, Cari, as far as I know this is final. It came from Education Information Services here at DOE.

Thanks!

Cari,

You may have this already, but the percent of 3rd grade students that were retained last year was 7.13%.

Thanks for all of your work and have a great afternoon!

Hey Kevin,

The Department should have this data, at least. Can you get this info? I need, simply, the % of 3rd grade students retained last year.

Any help you can provide would be great!!!!!!!!!!!!!!

Sincerely,
