Subject: RE: 3rd grade retention data

Cari,

Yeah, I'm good. I've been off the road for a couple of weeks, so that has helped. I'm worried about Kevin, though. He's in the office four days this week after nearly three weeks of solid travel – including weekends. He's got way too much on his plate. Also, the way of work hasn't changed – there's been no time to meet and Stu just assigns tasks to random people. No one knows what anyone else is doing and roles still haven't been established. Maybe we'll get a chance to address all of that at some point, but I'm not holding my breath!

Thanks for checking on me ☺ Hope you're doing well!

Subject: 3rd grade retention data

Cari,

Here's the message regarding the 3rd grade retention data that I received:

We post non-promotion data on our site at the following address: <http://www.fldoe.org/eias/eiaspubs/pubstudent.asp>. However, 2010-11 data has not been finalized yet. Updates to Survey 5 End-of-Year data will not close until the end of February. You may find 2009-10 data at the above link by clicking on Non-Promotions in Florida's Public Schools, 2009-10 (Excel, 235KB).

Thanks for all of your work and have a great day!
