Okay, so I know you are swamped, so can we schedule a time to review the FCAT Outcomes TAB data together? It's not adding up right (I'm sure this is a data analysis error on my behalf). Students retained once data is NOT adding up to 100% (not even close), yet student promoted with Level 1 adds up perfectly. Why would this be?

Again, let's schedule a call to discuss as I know you are swamped, and I prefer to do this on YOUR time, so just let me know. I'm flexible!

Sincerely,
Cari Miller
