Commissioner Winn came on board in September of 2004 and left in February of 2007. Janine Blomberg was interim from February 2007 to November of 2007. Eric Smith came on November 22, 2007 and left in June of 2011. He brought Chancellor Haithcock in on December 29, 2007, and she stayed until June 2011.

So – Evan reported directly to Commissioner Winn and Janine as long as they were here and then directly to Eric once he arrived. After a few months though, Eric reduced his direct reports and Evan began reporting directly to Frances. He reported to her until his departure in August of 2010.

Evan, does that sound about right? I don't know exactly when you began reporting to Frances.

Sincerely,

It's going great. I've lost 32 pounds, just 8 more to go!

Oh, and how about Evan, who did he report to each year:
2006-2007
2007-2008
2008-2009

I reported to Chancellor Haithcock. Stu reported to her as well until Diana came in Nov. 2010, and then he started reporting to her instead. He now reports to Mary Jane. More information than you asked for!

Hey Bo,

Quick question, who did you report to when you with the Director of JRF! I know there was confusion, but who did you officially (on paper) report to?

Sincerely,
