Hi Stu,

Kevin and I discussed the following:

- Reading Intervention Rule Update – Next Steps
- ITN Readability Formula – Next Steps
- ITN Diagnostic Reading Assessments – Put on Hold by Diana
- NGCAR-PD
 - o Trainer Certificate Process (collaborate with Tasha)
 - o Email Reminder for Practicum Meetings/Binder reminder
 - o Teacher Eval (State Model) Alignment of Practicum
 - o NGCAR-PD follow-up support (Tier of Support possibly) with district embracing NGCAR-PD fully (district-wide), implementing somewhat (middle school only), etc.
 - o NGCAR-PD Administrator Package/Supporting Documents needed
 - CCSS/90 minute Block – needs work but I provided a start (I think Ruth would be good for this)
 - FAIR Training Materials/Site – need an overhaul to ensure all training materials are current
 - FAIR Master Trainer and Advanced Master Trainer process (collaborate with Tasha)
 - K-12 Plan Revisions – Start with the Law and State Board Rule for streamlining
 - Need Code for NGCAR-PD completers (remember this for next MIS Database TAP next year)
 - Summer Training in addition to the DOE Conference???

Thanks for all you have taught me this past year. You have great vision and I believe we have made great progress this year in the realm of Adolescent Literacy. I will surely miss JRF!

Sincerely,

Cari Miller
