Subject: Educational Leadership Certification at UWF

You have contacted me in the past 2 or 3 months about the Educational Leadership Certification Program at the University of West Florida. This is a reminder that if you are interested in beginning our program in the Summer 2011, you should begin the registration process. We will stop admissions by April 30. I am attaching the information sheet again so that you will know what is required. Remember that we have both an online and a face-to-face cohort beginning in the summer term. If you have questions, please email me.
