So here is what I'm doing today.

Arizona passed the third grade promotion bill in 2010.
http://www.azleg.gov/FormatDocument.asp?inDoc=/legtext/49leg/2r/laws/0296.htm&Session_ID=93

I was looking for the rules they passed to implement the legislation, so I asked our contact there to send them to me. They said that the law dictated the implementation, and that no rules would be passed. They sent me the link to the law <http://www.azleg.gov/FormatDocument.asp?inDoc=/ars/15/00704.htm&Title=15&DocType=ARS> (which, of course, was different than the link I had, and is a link to what looks like a new law, but I don't know that yet) But in looking at the law I had first, it clearly states that the SBE would be determining a number of things.

So what I'll be doing is comparing the two laws, and trying to figure out what the heck is going on – in addition to seeing how good the laws/rules (if I can ever find any) are.

Sounds like fun, huh?
