Here's the email Mandy sent out at the end of the day.

For your reading pleasure: I've attached the state action plan/state initiatives strategic plan (what our team does) and the state brief that shows what we've done in what states so far.

See you soon!

And thanks for such a great meeting today- I feel really good about our team and am so happy you all are a part of it.

I look forward to chatting on Wednesday- we'll use it to go through any issues you encounter starting the clips on Wednesday and to go through any followup questions you have from today's meeting.
