This was the mix up with Nicole. I sent the certificates to the wrong people. I haven't received them back from her yet, so I have began reprinting them and will get them out today. I apologize for this mistake.

Orange County did not receive ANY of their NGCAR-PD Trainer certificates. Please, please, send them all TODAY to Diane Knight (Carmen Knight is the name used in her email).

Please check spelling of names before sending please!

Thanks Tasha!

Also, reminder please send additional 2 certificates to Lake as requested by Karen.
