I'll send out an email to them this week. But they are extremely busy executives. May be good if they could recommend a replacement?

Hi, Patricia. I've attached the status report so you can see who has responded. Were you able to send any notes of encouragement? It looks like we may need some help.

Hi, Jonathan,

Can you give me status reports on the reactor panel members? We'll need to find new members if folks decline. Thanks so much!
