I agonized over hiring Cari – I wanted to approach you about it first as a professional courtesy, but Cari – to her credit – insisted upon being the one to tell you. I think that was a classy thing to do -- and it showed a real respect for you. She is an incredible woman that I have had the pleasure to watch grow from a third grade teacher to a state-wide asset.

And when you have a moment, give me a call – I have some Failure Free information that may interest you. 391.3077.
