I would remove former. He's Governor Bush around here.

So former Governor Bush is the way you would go if you were me?

Yep – that works. Although I still call/refer to him as just Governor Bush (without the former or the jeb.)

YES! That would be great! How do I refer to Jeb, former Governor Jeb Bush?

FAIR - 2008-2009 Pilot Year
2009-2010 First year of implementation
2010-2011 2nd year of implementation

Dibels is allowable (district chooses tool to use for progress monitoring); however, FAIR is the tool that is predominantly used in Florida for progress monitoring. One huge incentive and reason, it's free, and covers all foundational reading skills.

When was the first year of FAIR? And is it correct to say that FAIR replaced DIBELS – even for those districts still implementing Reading First?
