Cari,

I'm out of the office until Friday. Would you like to meet Friday or next week to discuss and figure out exactly which reports would be most beneficial to you and work to write up the request?

Have a great day and thanks again for all that you do!

Sincerely,

This data is reported in Survey 5 from what I can tell.

Okay, so found another chart that I would love for all of the following years (these should already exist):

2002-2003  
2003-2004  
2004-2005  
2008-2009  
2009-2010  
2010-2011

I could care less about the districts, so just interested in State Totals reported at the bottom of each of the attached charts, but this chart seems to be done yearly and therefore they should already exist, so I'll take them as is.

Shouldn't these be online somewhere? Can you point me in the right direction to find them?
