All,

Karla Phillips has recently joined the Arizona Department of Education (from the Governor's Office) and has been given the super-fun task of spearheading the waiver process. Since y'all are all from A-F school grading states, as is Arizona, any help/advice/lessons learned you can share with her as Arizona works on submitting their waiver app would be really helpful.

Karla,
Leighann, in particular, owes me big time ☺, so I expect her to be the first to reach out to you.

Have a great weekend.
Mary Laura
