Subject: FW: Chili cook-off at Bo's house

Dear all – full disclosure – I may or may not have heat at my house on Thursday night, and it will still be nippy according to the weather report. The heating contractor is outfitting me with space heaters today that put out a lot of heat, so I think we'll be fine – just dress warmly though! See you soon!

Sincerely,

Subject: Chili cook-off at Bo's house

Dear friends,

Evan and a PCG colleague, Natalie Foster, will be meeting with me this Friday on the RTTT contract that PCG was recently awarded. They will come in the night before, so I hope maybe the dear "old" JRF gang can get together Thursday evening around 6:00 at my house for a bowl of chili. My house is still decorated since the Elzie elves won't come until Saturday to help me disassemble. So it will still be Christmas! Just bring anything you would like, but I'll have a dessert, chili, wine and beer, so we really don't need much. I hope this works out – I would love to see all of you!

Sincerely,

Bo Elzie
