Sharon,
Reimbursement will be done completely online at www.excelined.org/everywhere
The site is currently down (just our luck), but we expect it to be up and running by the end of today.
Sorry about that!

Mary Laura – Now that Kathy and Juan Copa have returned from the Summit, can you please send to me, or tell me where to find the appropriate travel reimbursement forms to complete?

Subject: Foundation for Excellence in Education Summit invite

Hi all,

I am writing to invite you to present at our National Summit in San Francisco on October 12, to a group of states who are implementing Florida style reforms. Specifically, the education chiefs of these states have asked us to convene a group of "experts" in the various reform policy areas so that they can use you as a sounding board, a trouble-shooter, and a resource as their states begin to implement their third grade retention, A-F grading, and teacher quality issues.

To that end, we have identified YOU as the experts in those areas. We will pay all travel expenses (hotel, airfare, meals) for you for the nights of October 11 and 12.

If you are able to help us out, please go to www.excelined.org and follow the links to the national summit and register. Also, please fill out the scholarship application so that we can have a record of that, which will make the reimbursement process go much faster. Also, respond to me so that I can contact you individually about agendas, presentations, and details.

We hope you can make it and share your expertise with these states.

Thank you!
Mary Laura
