Hi Nadia,

I followed up with the MIS group and the bureau chief confirmed that the data I sent are the most current available. The next update will be provided in July/August.

Please let us know if there is anything else we can do to help.

Best regards,

Kathy

Thanks so much, Kathy! If the MIS group does have Fall 2011 data that would be fantastic but in the meantime this spreadsheet is very helpful.

Thanks again,

Nadia

Hi Nadia,

Thank you for your phone call!

This is the most current dual enrollment data we have so far. I can check with our MIS group to see if they have Fall 2011 data, but in the meantime, I thought I'd share these data with you.

Best regards,

Kathy
