Subject: rule question

Hi Michele,

I don't know if you remember me, but I worked at DOE about 7 years ago in the Just Read, Florida! Office. I have recently joined Governor Bush's education foundation, and part of my job is to monitor rule development in states. I'm looking at the rule up for approval on March 27 dealing with the two diploma options for SWD. I know just enough to be dangerous, so I thought I'd email you for some information.

All I really want to know is if any public comment has been made that would make this rule a hot topic at the March meeting, and if so, what are the major concerns? To me, the rule appears to follow the law closely enough that there are no surprises to the public, but I just want to make sure.

I hope all is well with you.
Mary Laura
