Do you happen to know the current number of VPK'ers? See chart/chain below.

Hi Joanna and Cari;

Below is a briefing chart we gave to Gov. Bush for a school choice meeting he had last fall. He has a similar meeting next week and I was able to update most of the info with help from Mike Kooi and FLDOE quarterly reports but I'm still looking for numbers for the highlighted fields below.

Joanna, do you know Heather Sherry (Dual Enrollment program)? Would she be the one to contact for dual enrollment numbers?

Cari, do you know anyone at the early learning office who could give us the current number for VPK?

Thanks to you both,

Nadia
