Good morning,

This is first in a series of emails that are responsive the requests that have been sent to me. After you review the data sets if you require further clarification let us know.

We have not yet received all data marked with an X:

Referral Rates

- ✘ Referral rates for Special Education between 2000-2011, broken down by each category, for example, SWD, deaf/hard of hearing, visual impairments, etc., providing the number of students and percent of students, K-12.

The data request was sent on February 20th to the Data Warehouse and The Bureau of Exceptional Education and Student Services. Follow-up was requested on March 5.

It would be fine to work through Stu and cc me. Whatever works best for you. I don't want to be the impediment that holds things up.

We received this already; what we asked for as a follow-up is the number of students that the state level data represented for each year, each grade, and each AP. 2nd ✘ on attached document.
