We outperform 10 less states than two years ago - but here is the map for Hispanic performance.

Patricia,

I've used a 2009 NAEP map comparing FL's hispanics to performance of all students in other states. Matt has used this and it is in Heritage Foundation report. Has anyone done something similar for 2011 performance? If so, I need it really quickly.

Your help would be greatly appreciated!

Kris

Subject: Revised PPT for your review

The attached revision is based on requests by Ms. Shanahan to include some "big picture", context slides at the beginning. I've also adjusted order a bit to put first the slides that categorize changes based on reason (statute, ESEA, other).

Your feedback is appreciated, and we can discuss at 1 tomorrow how the time in the SBE meeting will be structured.

Jane is preparing a final set of most important, informative documents in a folder for each of you and, Commissioner, will send electronic to you prior to our meeting tomorrow.
