Thanks – this is helpful and they had shared the check list with me. I will check your recommendations as well.

Thanks again and have a great weekend!

Hello Hope!
Here are all of the documents from last year for Summer Camps.

I do want to mention that Stu had someone (I'm pretty sure Katie) create a checklist for Summer Camps (it's attached as well), but I'm unsure of how exactly they planned to use it. It looks as if they have the district rate how well they've done with each required component (and some added content pieces), and then the DOE rates how they've done with each component. So it looks like they possibly planned to use it this summer to review Summer Camp plans. They also added content focus (which is where you'll see some of my suggested revisions).

Let me know if you need any help!
Cari
