Gerard,

We really need your help to get Kathy Hebda, Juan Copa and some other Florida Department of Education staff to attend the Chiefs for change workshops (and the entire summit, if you would like). Particularly for the teacher effectiveness workshop, Kathy and Juan will be critical in describing to the other states how Florida is handling the value-added formula for student data for teacher evaluations and how Florida is handling implementation of the new tiered evaluation system for teachers and principals.

Thank you so much for your help.

Patricia

As discussed on today's call, please review the lists below of Department of Education staff currently registered for the Education Summit in San Francisco. If you would like to have your staff attend the summit and/or the Chiefs for Change workshops on: 1) school accountability, 2) teacher effectiveness and 3) reading, please have your staff contact Mary Laura Bragg at marylaura@excelined.org so she can assist them with registration.
