Hi Alexis,

I called today and spoke with Sarah Powell regarding Mike's check. I received it back today as undeliverable and wanted to verify the address. I mailed it to the address sent below, but in speaking with Sarah, the P.O. Box number was incorrect. So, now it is in the mail again to the correct address. Hopefully you will receive it this week!

Thank you,

Lisa

Lisa,

The scholarship that Mr. Kooi received includes:

- Registration, including five meals;
- Up to three nights lodging, beginning Wednesday, October 12, 2011; and
- Reimbursement of travel expenses included round-trip coach airfare and up to \$250 for incidentals.

He was awarded the scholarship because he is an employee in the Florida Department of Education, and because of his close work with the Commissioner. The reimbursements are being processed via our website, www.excelined.org/everywhere. The site is currently down while we're transitioning the page, but it should be back up by the end of the day.

Please let me know if you have any additional questions.

Sincerely,
Alexis

Thank you Sarah, however, if a registration fee is needed, would it be possible to use a credit card? Also, why do you think I was told that I could register Mike Kooi as a scholarship recipient?

Thanks for your help,

Lisa

Lisa,

Thanks for your email. I have copied Alexis Franz here, as she handles all scholarships and will be more familiar with this particular case. If a registration fee is needed, you may mail a check to:

Good morning,

I have a question regarding the registration fee for Mike Kooi for the Excellence in Education Reform Conference last week. When I originally registered him on August 11th, for some reason, his credit card would not process, so I called and spoke to someone and was told to register him as a scholarship applicant and of course there was no fee.

Since he did take advantage of the meals at the conference, wouldn't he need to submit a registration fee?

Thanks for your help in this matter,

Lisa
