Deb,

Could you still implement the policy voluntarily without the bill's passage?

Patricia

Deborah, hope you got some rest on the 4th weekend. The donor has contacted Rhode Island Foundation, and my understanding is they have already approved the donation (last Wednesday). Let me know how your plans have changed with the legislative changes, and I will help to determine there is still a fit there. -- Fonda

Hello Fonda,

I hope your week has gone well. As I said earlier this week, I would be getting back to you on the specifics of our plan for the AP project. Our plans have changed a bit since a bill related to AP courses was not passed through Rhode Island's General Assembly last night. Do you think the donor would still be interested in supporting RI with this recent change? Let me know what you think. Thank you again for taking the time to work with us. Have a safe and happy holiday weekend!

Best,

Deborah
