Importance: High

Good afternoon,

As we get closer to our National Summit, things are firming up, and I wanted to alert you to some of those changes. We have planned several meetings on the 12th for the Chiefs, including their official board meeting and some possible site visits. So please plan for your Chief to be in San Francisco the night of the 11th. We will reserve a room for your chief for that night, in addition to the nights you have already asked us to hold.

There MAY be two meetings on the 11th as well. I know this tentativeness makes your jobs harder --as soon as we know about the 11th as a meeting day, I will let you know (so that you can make plans for them to come in the night of the 10th.)

We are very aware that asking them to spend their whole week with us is a big ask. We will make every effort to get you final information on the summit as soon as possible.

Remember (see email below), that if you haven't already, you need to register your chief online from our website (www.excelined.org) – follow the links for National Summit - and let Celeste Lewis (I have cc'd her) know as soon as possible what hotel nights are needed (the hotel fills up very quickly), so the rooms can be held.

Thanks!

Mary Laura
